L.S.,

The Executive Board of the University of Amsterdam (UvA) received the final report of the research review of Anthropology 2013-2018. The review was carried out in September 2020 by an international peer review committee, using the Standard Evaluation Protocol 2015-2021. The evaluation was carried out at the Universiteit van Amsterdam, Universiteit Leiden, Vrije Universiteit Amsterdam, Radboud Universiteit and Universiteit Utrecht.

The Executive Board wishes to express its gratitude to the peer review committee, chaired by Prof. Johan Lindquist, for carrying out the evaluation. The Executive Board is very pleased to see that the research quality, societal relevance and viability at our anthropology department are regarded as excellent by the review committee.

The Executive Board received a response from the dean of the Faculty of Social and Behavioural Sciences to the evaluation report and supports the faculty in using the recommendations of the evaluation report to further enhance the performance of the department, including enabling slow science, recognizing non-publishing activities, improving career prospects for staff and adopting a successful diversity policy.

Yours sincerely,
the Executive Board,

Prof. Geert T.M. ten Dam,
President
